

Petersburg Medical Center
Sliding Fee Scale
FY 2021

Petersburg Medical Center is committed to the provision of health care services to all persons in need of medical attention regardless of the ability to pay. Petersburg Medical Center does not discriminate in the provision of services to an individual based on: the individual's inability to pay; whether payment for those services would be made under Medicare, Medicaid, or CHIP; the individual's race, color, sex, national origin, disability, religion, age, sexual orientation, or gender identity. This Charity Policy establishes criteria for discounts from billed charges to those persons whose income or resources are insufficient to pay for services provided to them. All services billed by the Petersburg Medical Center including but not limited to inpatient, outpatient, emergency, physician and clinic services are covered by the hospital's Financial Assistance Policy.
