

## THANK YOU!

In 2016 donors generously supported the Foundation in raising over \$24,000. The following projects were completed, funded, or were provided additional funds in 2016:

- Shower chair for LTC and PMC inpatients.
- 2- \$1,000 scholarships to 2017 PHS graduates.
- 2-\$10,000 no interest loans to former PHS graduates to continue their post-secondary training in the medical field.
- The Eden Project-domestic birds for LTC residents.
- Emergency Medevac Fund

Looking into 2017 we hope to raise enough funds to replace the aging wheel chairs at PMC. New wheel chairs will greatly benefit our residents quality of life and the comfort of patients while at PMC.

Without our donors' financial support and their volunteer hours these important needs and goals would not have been met.

**We hope we can count on you  
in 2017!**
