

# THANK YOU!

In FY2024 donors generously supported the Foundation in raising over \$50,000. The following projects were completed, funded, or were provided additional funds in 2024:

- 2 - \$1,000 scholarships for 2024 PHS graduates.
- 1 - \$5,000 no interest loan to PMC staff to continue their education in the medical field.
- Emergency Medevac Fund

Without our donors' financial support and their volunteer hours, these important needs and goals would not have been met.

**We hope we can count on you  
in 2025!**
