Date: January 16, 2021 9:15 am
From: Petersburg Emergency Operations Center (EOC)
Contact: Karl Hagerman, Petersburg Borough EOC Incident Commander
Phil Hofstetter, Petersburg Medical Center Incident Commander

For Immediate Release

One new positive COVID-19 case has been identified in Petersburg in a symptomatic individual. The positive test result is considered to be community spread. Activity level of the individual was limited in recent days. Public health has commenced contact tracing investigations.

The current community risk level will continue to be in the Yellow status (Low Risk) unless new information regarding community exposure becomes known.

All residents must take action to mitigate the potential spread of this virus. If you are sick or suspect that you may be infected with the virus that causes COVID-19, you should take steps to prevent the disease from spreading to people in your home and community. If you think you have been exposed to COVID-19 and develop a fever and symptoms, such as fever, cough or difficulty breathing, call the Petersburg Medical Center COVID Hotline at 907-772-5788 for medical advice. Do not go to the hospital or clinic before calling the hotline.
