Dear Petersburg Medical Center Patient:

Our records show you have an aging balance due in our retired system (CPSI) at our facility. In an effort to clear up these balances, we are offering you an opportunity to help clear any balances due in our historical Electronic Health Record system (CPSI). The payment incentive is offered toward any good standing balance due in CPSI as of April 1, 2023. Petersburg Medical Center is offering a 15% discount on balances paid during our April 17, 2023- May 12, 2023, incentive period.

To be eligible for the 15% discount, accounts must be paid for in full. Payments must be received in our office by 5:00 pm on May 12, 2023, to receive the discount. This offer cannot be extended towards balances that are in our new Electronic Health Record, Cerner, with dates of service on or after December 6, 2021.

- Petersburg Medical Center has stopped using CPSI for our Electronic Health Records. All balances must be cleared by May 12, 2023. If you have a balance due in CPSI, you are encouraged to take advantage of this opportunity, or contact our Business Office to set up a payment plan. If PMC does not receive any contact from you by May 12, 2023, we will consider your encounter past due, and it will be eligible for collections.
- For credit/debit card payments over the phone, please call our Business Office and be prepared to leave a brief message and we will call you back for your payment information

- There is a payment drop box located on the wall, in the entrance to the ER, inside the first set of doors. Please indicate that the payment is for your CPSI balance (s) with account numbers, and we will mail you a receipt showing the payment posting.
- You can pay in person at our walk -up window located next to the First Street entrance.
- Online website payments: pmcak.org, follow the portal instructions on your statement.
