PRESS RELEASE

Date: November 16, 2021
From: Petersburg Medical Center

Active case count: Petersburg Medical Center **reports 19 additional cases** today. The active cases are spiraling out of control and impacting essential services, not only in the hospital but throughout the community. If you test positive at home, it is your responsibility to contact the school, PMC, or public health. If you test positive, it is your responsibility to stay home and help stop the spread.
